How would you be getting to Kirkley Hall?	

Why would you like to volunteer at the Zoological Gardens?

What previous work experience have you got that you feel would be relevant to your volunteering here at the gardens?

When volunteering here at Kirkley Hall Zoological Gardens, you need to provide your own protective clothing. Dark blue overalls and steel toe capped boots need to be purchased by you and to be worn at all times while working in and around the Zoological Gardens

When would you be available to volunteer (we ideally like a volunteer to come at least once per month so you feel part of the team)

--

Is there any information we would need to know to help you perform volunteer activities here at the gardens?

--

Is there any other information that you feel would support your interest in becoming a Volunteer Keeper?
